

Fab for
5-10
year olds

Rock Around the Station Clock!

Explore the museum and find all the clocks and watches.
We have mixed in some other round objects too!
Tick the box when you've found the object.

The central clock face has arrows pointing to the following objects:

- 12: A small round clock with a white face and Roman numerals, labeled "CARTER LONDON".
- 11: A black clock with a statue of a man on top.
- 10: A large, rusty metal wheel.
- 9: A commemorative plate with a train illustration and the text "COMMORATED BY THE 50th ANNIVERSARY OF THE GREAT EASTERN RAILWAY CO. LTD. GEORGE STEPHENSON 1825-1882 Locomotion".
- 8: A tall, dark wooden grandfather clock.
- 7: A tall, dark wooden grandfather clock.
- 6: A round clock with a white face and Roman numerals.
- 5: A round pocket watch with a white face and Roman numerals.
- 4: A round pocket watch with a white face and Roman numerals.
- 3: A brass wheel with three spokes.
- 2: A round pocket watch with a white face and Roman numerals.
- 1: A dark blue pocket watch.
