Family Fun!

Learn, play and be creative with our new 'no clipboard' activities. Explore the museum, find out stuff, talk together and have fun!

Darlington Nameplate

Who or what would you name a train after?

Say What?

Have a look at the painting of 'The Opening Day of the Stockton and Darlington Railway' by John Dobbin. What do you think the people are saying to each other? What would you say if you were there?

The Hunt for Secret Treasure...

Take it in turns to pick an object as you look around the museum. Don't tell anyone what it is—they have to ask questions, and you can only answer yes or no.

Awesome Inventions!

Choose an object on display and invent a new use for it. It can be practical or really wacky!

Be a Museum Guide

Tell another person in your group about something you have found interesting, amazing or unusual in the museum.

You can read the label or make up your own.
